FINANCIAL POLICY

Thank you for choosing us as your health care provider. The following is a statement of our Financial Policy. We request that you read, agree to and sign below prior to treatment. All patients must complete our registration form, provide insurance information and present insurance card (s) and driver's license to be photocopied.

INSURANCE: If you have health insurance that you believe may cover chiropractic in this office, we will verify your insurance coverage for you. You are responsible for paying your deductible, co-payment and non-covered supplements, supplies, and services at the time they are rendered. Your insurance is a contract between you and your insurance company. We have nothing to do with what your policy does and does not cover. We do not guarantee that all services done in this office are covered by insurance. We are happy to file all insurance claims for you to the extent that your policy permits.

NON-INSURED: We request 100% of the first visit be paid at the time of the first visit. All future visits must be paid for at the time of service. If your financial situation requires special arrangements, please speak with the Financial Coordinator.

WORKERS' COMPENSATION: Chiropractic services are covered by Workers' Compensation law, and you should be covered 100%, as long as your employer is aware you were injured on the job, you have completed the required papers with your employer, your employer has no objection to your receiving care here, and is covered by Workers' Compensation Insurance.

MEDICARE: Dr. Goldi Jacques-Maynes is in the process of becoming a Participating Provider with Medicare, therefore we are required to bill Medicare for services. Medicare does require that you pay for X-rays, examinations, supplements, supplies, physical therapy and any other non-covered services, and therefore you will be asked to pay for these services at the time you receive them. You will also be required to pay an annual deductible and small co-payment. If you have a supplemental insurance policy that covers chiropractic we will bill them for you if Medicare does not. Medicare will send payment directly to our office. You will also be required to pay all visits in full once Medicare stops paying Dr. Goldi Jacques-Maynes.

IT MUST BE UNDERSTOOD:

1. This clinic DOES NOT promise that an insurance company will pay. Nor does the clinic promise that an insurance company should pay the fees as charged.
2. This clinic will not enter into a dispute with an insurance company for reimbursement or the amount of reimbursement. This is the patient's obligation.
